

For Immediate Release

FuelRod “Power Ready to Go” Mobile Device Charge Kits Perfect Gift for Holiday Travelers – Available at any U.S. FuelRod Kiosk

Promo Code: JINGLE for a \$2.00 Discount

SAN DIEGO — December 21, 2016 — Tricopian, LLC, a San Diego, California-based developer of the innovative FuelRod mobile charging service for smartphones and tablets, is pleased to announce a holiday promotion for its popular FuelRod power-to-go mobile charge kits. The mobile device charge kits are available at any FuelRod® SwapBox™ kiosks located at airports, shopping malls and university campuses. A perfect stocking stuffer, the special \$2.00 discount JINGLE promo is effective through January 3, 2017. At any U.S. FuelRod kiosk, users enter the code JINGLE on the kiosk touchscreen and the discount will be applied to the purchase of the FuelRod charging kit.

FuelRod’s self-serve SwapBox provides users with “Power Ready to Go” for their mobile phones and tablets through the use of rechargeable battery chargers that eliminate the need for travelers to plug in to an electrical outlet. At all FuelRod kiosks, travelers can purchase a FuelRod kit - which includes a FuelRod charger, a USB charging cable that fits most phones and tablets, and adapters for all Apple devices. The small, rechargeable and environmentally friendly battery delivers up to eight hours of talk time for an Apple® or Android™ smartphone or nearly four hours of usage for a tablet. Each FuelRod kit is priced at just \$20 and includes a subscription for free unlimited exchanges at any FuelRod kiosk. Once the battery is depleted, the FuelRod module can be recharged by using any standard USB adaptor, or it can be quickly exchanged at a FuelRod SwapBox for a fresh, fully charged FuelRod.

Travelers can find the FuelRod SwapBox kiosks at a growing number of airports in the U.S. and Europe. Airport locations in the U.S. include ABE, ATL, BWI, CLE, CMH, CVG, GSP, HOU, IAH, KCI, LAS, MEM, MSP, PHL, PIT, OAK, RNO, SAN, SAT, SMF with the most recent locations at BOS and SYR.

FuelRod chargers can also be purchased online at www.fuel-rod.com. FuelRod can also be found on Twitter [@FuelRodPower](https://twitter.com/FuelRodPower) and on Facebook at [FuelRodPower](https://www.facebook.com/FuelRodPower).

About Tricopian, LLC

San Diego, California-based Tricopian, LLC develops efficient and environmentally conscious solutions that provide power for portable battery-operated devices. Founded in 2010, the company offers battery solutions servicing a wide range of product applications from cell phones and tablets, to flashlights and remote control toys.
